

Utah Electrical Training Alliance

CONSENT TO RELEASE INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 prohibits Utah Electrical Joint Apprenticeship & Training Committee dba Utah Electrical Training Alliance, from releasing certain personally identifiable information from a student's record to a third party without the student's explicit written consent. This form serves as written consent when properly completed.

This request allows the release of all student academic information (admission application information, attendance, progress, schedules, testing, transcripts), VA records, financial account information (debt information, holds, payment information, tuition and fee balances), Federal and State financial aid records, and any other document pertaining to student academic, financial account and financial aid records. In addition to receiving information, this individual also becomes eligible to act in the student's behalf.
